Kappa Kappa Psi & Tau Beta Sigma ONLINE MALL

Kappa Kappa Psi and Tau Beta Sigma are pleased to introduce to you a new program in partnership with CareClicks.com, designed to provide you with online shopping options. For every purchase made through the KKPsi or TBS portals, a small percentage will come back to the Fraternity & Sorority. This is another way the National Council and your Headquarters staff are working diligently to generate income to help keep your membership costs as low as possible! It's easy to use, and you don't have to provide any personal information to access the online merchants.

Your family and friends are allowed to shop through this portal too, so don't hesitate to let them know about it. Whether you're shopping for a new car, computer, or airline tickets, you can find sources here!

On occasion there will be specials announced which may offer you excellent prices on products you plan to buy, so we encourage you to take advantage of this option whenever you have that shopping attitude!

Should you experience any problems at any time, make sure you let the Headquarters staff know. We will investigate on your behalf!

Fraternally,

Lt Col Alan L. Bonner, USAF (ret.)
