- **An Important Project Worthy of Your Consideration!!!**

To All Brothers & Sisters of Kappa Kappa Psi & Tau Beta Sigma,

I recently received a request from a Brother who asked that I send out the following letter in NewsNotes to make you aware of a special project she has begun in support of our fellow Brothers & Sisters who might be serving in the Armed Forces around the world. As a veteran I fully support her efforts and hope that you may be willing to contribute in some way to this very worthwhile endeavor.

Respectfully,

**Lt Col Alan Bonner, USAF (Ret.)

Fellow Brothers and Sisters:

My name is Jill Lawson. I am an alumnus of Kappa Kappa Psi (Eta Sigma Chapter) from the University of Central Florida. I am currently undertaking a project I think is worthwhile and would require your support and or participation. As all of you know, many Americans are overseas serving in the Middle East and other parts of the world. Some of whom you may know personally because they are fellow members of our organizations or your band, and I feel it would be a kind gesture to show our support and provide encouragement to

our fellow brothers and sisters in the Armed Services. You don't have to agree with the war effort but we should be thankful for the time and sacrifice our soldiers, brothers, sisters, and friends for devoting their lives to protect our freedom.

Soldiers enjoy reading words of encouragement and of news and current events here in the United States. *How delighted do you think a brother or sister would feel knowing that fellow members are thinking about them?* Many of you are now wondering, "where do I come in?" It's simple. If you would like to be involved or if you have any information about a brother, sister, or member(s) serving overseas that would like to receive a letter, please contact Jill Lawson or David Szumlanski. Even if you only know their name and which service they are working, I should be able to get their address. David has already sent emails to the National and Southeast District list serves requesting the names of brothers or sisters who are serving in the military, their address, and which organization they are in (Kappa Kappa Psi or Tau Beta Sigma). When he receives the contact information he is willing to post it on his web site so others may view and send a letter to a soldier. I truly believe this is a project worth undertaking! I hope you're willing to help us out and participate!

A.E.A.,

ATTN: District Governors/Counselors/Officers/Chapter Presidents...

[Please ensure widest possible delivery to all chapters, colonies & members in your respective districts!](#)

The idea of this electronic newsletter is to be able to quickly and efficiently send out information to every individual member. Therefore, it is up to the District Leaders to be responsible for forwarding every issue on to the chapters or Chapter Presidents in their district. Once the Chapter Leaders have the newsletter, I would ask that you ensure every member of your chapter receives it! Unfortunately, I regularly talk to chapters who have not received any recent issues. Please help us to communicate to the individual member!
